Holiday Pajama Day and Christmas Party!

## This month in Yellow Room..

Last month in the Yellow Room we had so much of fall, items that make us think of it, and special holidays we celebrate during it! Our favorite activity together was making fingerprint pain trees and collecting leaves! outside. We also began learning about our names!

This month we will be focusing on our 5 senses! We will learning about each of them individually each of them! everyday, and what we can do with each of them! We will be incorporating special projects and activities going along with our theme.

We are excited to celebrate all the holidays! Kepp an eye Brightwheel for notifications on special events and themes!

## HAPPY NEW YEAR!

We want to wish all our families a very joyous holiday season and a very happy New Year! We look forward to a wonderful 2024 together!

Love, Ms. Lauren and Ms. Chelsea

WINTER BREAK:DECEMBER 25TH- JANUARY 1st
